

New Health Care Scholarship Available

At the Community College of the District of Columbia

A new scholarship, generously funded by Kaiser Permanente, has been created for CCDC students in the area of Health Care. The scholarship, officially known as the Health Care Worker Education Initiative Scholarship, will be available to students completing prerequisites in the following health care areas:

- Nursing
- Respiratory Therapy
- Mortuary Science

In addition to majoring in one of these areas, CCDC and incoming students must have:

- a cumulative GPA of **B** or **above**.
- Must have a declared major in the above fields by April 30, 2011 (CCDC students)

Note: Incomplete applications will not be reviewed.

To view and download the application go to the Community College of DC's homepage: <http://ccdc.usdc.edu/>
